## PRESIDENT'S CORNER

Meghan Ruby  
President

September sure flew by in a hurry and having 3 successful events definitely contributed to that. Annual favorites of our Hampton Beach Seafood Festival Bus Trip, Volleyball Tournament, and Golf Scramble

successfully returned after a one year hiatus. Please check out the articles about each event further in the Liftline.

Hello October! By the time you read this Liftline, we will already be over half-way through the month. While we didn't have much going on this month, we planned a couple of meetings, we will vote on our Yearly Budget on October 21st, Alpine Trips officially open on October 21st, and some may even choose to attend a Halloween Happy Hour that our new A&E Chair Clare Ryan has set up. I hope to see people out at Lost and Found Albany on October 28th!

November will be the most normal in some ways and yet still different compared to normal years. There will be meetings every

Thursday except for Thanksgiving. We will be able to go see this year's Warren Miller film in person at the Palace Theatre. Unfortunately, the annual Northeast Ski Expo and Craft Beer Showcase has been cancelled once again. The Applicant Party also will not in November this year. Instead, the Board decided to push it out until January 6, 2022, so stay tuned for more information about that!

December will be the busiest month for us yet. Again we will have meetings every Thursday (Note: meetings on the 23rd and 30th are subject to change/cancellation). Our Holiday Party is being planned for December 18th (details still to come). The first official Alpine trip of the season will head to Canada to ring in the New Year. Fingers crossed, we will also be able to run some Friday and Sunday buses to some favorite ski areas or possible some "new to many of us" ski areas!

I have said this before and I will say it again – it has been difficult to communicate nothing. As we get back to more activities happening on a regular basis, the Board, our committees, and I will do our best to share information with all of the members. If anyone ever has any questions though, please feel free to email me at [president@ocskiclub.org](mailto:president@ocskiclub.org).

Hoping for cold temps and lots of snowflakes,

*Meghan Ruby – President, OC Ski Club*

## ORGANIZED SKIING

Cynthia "Princess Snowflake" Ward  
Vice President for Organized Skiing  
**SNOW WHAT?**

October 21st at 7:30 pm and we hope that the turnout is better than it has been. Trips will be open for in-person sign ups and there is also the vote on the budget that must be approved by the membership to keep plans rolling along. Check the calendar for upcoming meeting dates and events.

We do plan on running day buses and, with the cooperation of the resorts, we hope to publish a schedule in November. Our bus policy will not be finalized until we are ready to run our first day buses, but it is most likely that proof of vaccination or proof of a negative COVID-19 test within 72 hours will be required to ride the bus. We want to ensure the safety and comfort of

our members and this requirement is in line with attendance at many venues these days. Of course, in these uncertain times, things could change and we will follow mandates set by Brown Coach, Inc., the CDC and NYS Department of Health requirements.

Winter Carnival is scheduled at Plattekill on February 17th when we have the whole mountain to ourselves. This will no doubt be a highlight of the season. Be sure to mark your calendars. Mountain games, hat contest, scavenger hunt and lots more are planned, but we need volunteers to make this happen, so please let me know if you would like to participate.

The first meeting of the OC Snowsports School is at 6 pm on October 21. A lot is planned for this season so be sure to check Jeff's article also in this Liftline.

Also be sure to check out the details of the raffle for two \$1000 gift certificates to High Adventure sponsored by the New York Capital District Ski Council (NYCDSC). There is also an article in this month's Liftline and posted on our website. You could be the lucky winner. Hey, you never know.

*That's it for now. Keep smiling, get vaccinated, and think snow.*

*- Princess Snowflake.*

The trees are starting to display their fall regalia and as the leaves turn, the OCs are busy preparing for the upcoming snow season.

While there is still a great deal of uncertainty about the future, adapting to a "new normal" and a new way of bringing back our favorite OC activities is developing. We are all doing our best to populate the calendar with a schedule that is as close to what you are used to as possible.

We have already held some regular meetings at the PCC and more are planned. The next meeting will be

they effect your comfort and performance. Expert boot-fitter Garrick Dardani will be conducting the clinic. Bring your boots if you wish for a free evaluation. Get an update on the latest in ski equipment.

**SKI CARE AND TUNING CLINIC** - Thursday January 13 – PCC upstairs room-6:00 PM sharp, Learn how to take care of your skis, when they need tuning, how to do some or most of the tuning yourself. We will also be discussing the latest in ski technology.

**CALLING ALL INTERESTED MEMBERS** - In the past we have always made our instructors available whenever we run a single day bus. This season we are planning on making instructors available on some of the drive up days. To do so I need some information: Where and when you ski on drive up days, Do you have a pass (e.g. ICON, EPIC, etc.), is there an instructor you would like to request? You can send this information to [skinstruction@ocskiclub.org](mailto:skinstruction@ocskiclub.org)

**OC SNOWSPORTS SCHOOL** - Calling all Ski, Snowboard and Telemark Instructors. We will have our annual pre-season meeting at the PCC on Thursday October 21 at 6:00 PM sharp in the upstairs room. We will be discussing changes in organizing sessions, indoor and on the snow training, private lesson days. Brian Mieczkowski will attend this meeting to discuss training plans.

**STANCE AND BALANCE CLINIC** - Thursday November 18 - PCC big room-6:00 PM sharp, an extremely popular annual clinic on everything you need to know about Ski Boots and how

## OC Annual Golfing Outing

September 25, 2021

We get lucky every year as the weather was fine for late September. Brookhaven golf course was in great shape and The View at Brookhaven restaurant served us a very fine buffet dinner.

*Here are the prizes winners this year:*

**First place golf team** – Tom Gibson, Liana Verba, Robert Burns & Andy

**Closest to the Line ladies** – Mary Zeccolo

**Closest to the line men** – Tom Hefferman

**Closest to the pin Men #5** – Robert Burns

**Closest to the Pin Ladies #18** – Cindy Parker

**Closest to the pin Men #18** – Justin Minkle

**50-50 winner (\$162)** – Tom Gibson

We had 74 players this year which put this outing at the most players since 2004 when we started running the OC golf tournament. We always have a wide variety of players, from just starting out to very good, and this is what we strive for each year. It is a FUN event not a PGA event. We are out there to see our OC friends and enjoy the outdoors. And that is what happened this fine golf day!

### OC Board Meeting Highlights

The Board Meeting was held on Thursday, September 2<sup>nd</sup>. We met, once again, in person at the PCC before heading down to our 2<sup>nd</sup> in person membership meeting, which was not as well attended as the one in August. Could have been the proximity to the Holiday weekend or we are just not ready for the crowds again. Below is a summary of what took place. Complete minutes are found on the website after the following Board Meeting.

- **Seafood Festival:** Despite a low turnout it was decided to move forward with running this trip. It will be our first bus since March 2020 and we are “selling” empty seats to accommodate those who are just not quite ready to be rubbing shoulders with anyone else not in their personal bubble.
- **Holiday Party/belated 60<sup>th</sup> Birthday Celebration:** We haven’t found the perfect location or date yet but it looks like we will be moving forward with a search concentrating on the weekend of the 17<sup>th</sup> with the 18<sup>th</sup> a priority.
- **Trip negotiations** continue to progress with caution.
- **OC Golf Scramble:** Scheduled for September 25<sup>th</sup>. Signups are very good this year and it should be a spectacular time.
- **Bus Policy:** The Alpine Bus committee continues to tweak our policy as NYS, CDC, & Browns guidelines are published. Once again, emotions ran high as the board expressed their personal concerns and discussed how this translates to a policy to which members can be comfortable
- **Committee Chairs:** House Chair will be taken over by Pete Semerad to free Bob Hossan to join the Membership Committee. Pete will be the one who acts as our liaison to the PCC and Bob will join the membership table on Board nights. We are looking for another member or two to join the committee so that meeting time commitment can be reduced.
- **2021/2022 Budget:** The Board voted to approve the budget presented to them so that we can publish and notify the membership the need for their attendance at the Oct 21<sup>st</sup> meeting to approve this operational budget. The OC Budget is actually a forecast based upon history. 20/21 certainly created an anomaly but we typically do expect twists and turns each year.
- **Meeting resumption:** There will be the board meeting & membership meeting on Oct 7<sup>th</sup> and a 2<sup>nd</sup> (membership) meeting on Oct 21<sup>st</sup>. The 21<sup>st</sup> meeting will include an Instructors meeting at ~6pm (see the updated calendar), ALL Overnight trips opening for signup (online signup has been open), and the Budget Vote
- **VP for Admin** – With the absence of a VP for Admin the other officers have been assigned additional committees to provide oversight
- **Other topics:**

- a. **Volleyball Tournament:** WAS: Setup: Sept 17, Tournament: Sept 18, Cleanup: Sept 19. We need many hands for all aspects... and we need to get our teams back to play. NOTE: A great day for all involved!!!
- b. **Expo:** Dates... Nov 5 – 7, 2021 (cancelled)
- c. **Applicant Party:** Nov 11, 2021 (moved to January 6<sup>th</sup>, 2022)

Next Board Meeting: October 7 @ the PCC.
