Meghan Ruby
President

Happy New Year OC Ski Club members! I hope 2022 is a much better year for everyone than the past two have been.

and cross-country trips. Make sure you pay attention to where we are scheduled to go and when you need to sign up by. Remember that we need at least 21 people to sign up in order for a bus to run.

If you've signed up for one of our weekend and/or week-long trips, it won't be long before you're headed to your destination. A couple of trips still have some openings so check out the trip information later in this Lifeline to see if you'd like to sign up for one.

We continue to do our best to share information with the members of this club. Please feel free to contact the Officers though via email (president@ocskiclub.org, skiing@ocskiclub.org, secretary@ocskiclub.org, or treasurer@ocskiclub.org), if you have any questions and you can't find the answer in the Lifeline, on our website, or in our social media posts.

Meghan Ruby - President, OC Ski Club

While this season has been slow to start, we're finally going to experience some really cold temperatures so ski areas should be able to make a lot of snow to really cover the trails. The "lake effect machine" is beginning to churn out in Central New York too so that will help put snow on the ground. So check out our website for information of day buses for both downhill

calendars because this is one event you don't want to miss. Everyone had a great time last year when we had the mountain to ourselves and this year's event will be better than ever!

Don't miss our next Happy Hour on Wednesday, January 26th at Smokey Bones. The food and drink specials look great and plentiful and are available from 3:30-6 pm. The far side of the bar area is also spacious allowing for the required social distancing. Thank you, , our HH chair. She is scouting other venues for future happy hours and is open to your suggestions.

HAPPY NEW YEAR! I hope your expectations and mine are exceeded in 2022! So far, the skiing has been really good in spite of the weather and it can only get better as we enjoy more opportunities to slide around with our OC friends. Buses have run and some have been canceled, but there is more to come.

Winter Carnival, scheduled on February 17 at Plattekill, is just around the corner. Fun galore is planned including mountain games, a hat contest, scavenger hunt and lots more. This should be a highlight of the season. Watch your email and check out the website as all the details will be posted shortly. Mark your

Even though most of our trips are all sold out, there are still some slots on the trip to Bolton Valley (February 28-March 3) and Mt. Bachelor (March 4-12), but don't wait too long. Jay Peak (April 1-3) is now open, but it is also selling fast.

The New Year's Eve trip to Quebec was completed successfully in spite of an unwelcoming reception at the Canadian border and the closure of all venues due to COVID-19. Nevertheless, OCers celebrated in stride and luxury.

So, the start of the New Year is full of promises for more fun and adventures with your OC friends. Be prepared to join us in these experiences by staying healthy, getting vaccinated and boosted (if you can), wearing those masks with the smile underneath and continuing to social distance. Let us work to keep each other safe and healthy and may God bless us with a beautiful season of snow.

Snow in Love - Princess Snowflake.

OC BOARD MEETING HIGHLIGHTS – DECEMBER 2021

The Board Meeting was held on Thursday, December 2. Below is a summary of what took place at the Board meeting. Complete approved minutes are found on the website after the following Board Meeting.

Unfortunately, **Clare Ryan** has had to make the tough decision to resign from the Board and as our A&E chair for personal reasons. We thank Clare for the Board Participation to date, the Happy Hours she arranged and for her assistance with the Holiday Party planning. **Rich Stella** will take her place on the Board. Good luck, Clare and welcome back, Rich.

Karen Thorpe & Jill Hayes were approved to return to the positions of **Fundraising** Co-Chairs. Visit the table to see some of the new items they have to sell

Holiday Party/belated 60th Birthday Celebration: 74 members will be celebrating this event.... Not quite the same number (274) we had for the 50th but considering the circumstances it will be a very enjoyable evening with this small group. The Club is subsidizing this event.

Trips: Quebec getting ready to head out at the end of the month. Beaver Creek, Utah & Italy are sold out with waiting lists. Smuggs and Sunday River will sell out this week.

Bus Policy: Approved policy is now posted on the Website

Meeting resumption: December meetings will occur with the exception of December 23rd. January will see a resumption of "normal" Thursday night meetings unless Social (Covid) circumstances prevent them from doing so.

Applicant Party: moved to January 6th, 2022 and will attempt to bring in some vendors to make this a mini Expo as well.

Next Board Meeting: January 4 via Zoom.

PRIVATE LESSON DAYS – Back by popular demand, Private lesson Days - **Sunday January 30 - Pico** and **Thursday February 17 - Plattekill** Winter Carnival. This is another free benefit of joining our club. Sign-ups will be at the Snowsports School table weeks in advance. This is an opportunity to ski with your favorite instructor and get some feedback.

LESSONS ON SUNDAY & FRIDAY BUS TRIPS – The snow is falling, we are skiing. A benefit of skiing with the club is the professional level of instruction on all Sunday & most weekday trips. We offer instruction for all levels of Skiing, Snowboarding and Telemark, all at no charge. Join us to get a tour of the mountain and meet skiers with similar interests. Sign-ups for sessions on the Alpine Bus trips are usually taken on the bus. Prior arrangements for First timers, Snowboard and Telemark lessons are advised. On days when the bus trip is cancelled, we can possibly make other arrangements to meet you at the resort. To learn more, stop by the Snowsports School table at any meeting or contact me at skiinstruction@ocskiclub.org.

**ELECTIONS FOR
2022-2023
OFFICERS
AND BOARD**

ELECTIONS

Every year the club elects 5 Officers and 10 Board Members. The Officers include the President, the Vice President for Administration, the Vice President for Organized Skiing, the Secretary, and the Treasurer. If the President of the previous fiscal year decides to not run again or if they are not re-elected, they will automatically receive a seat on the Board as Past President and only 9 additional Board Members will be elected. If the President continues on, then 10 Board members will be elected. Any member in good standing can be nominated for an officer or board position.

As we've done the previous two years, we plan on accepting nominations and holding the elections electronically. The change this year is that we will run this process earlier than we have in the past to see if it encourages more participation. Nominations for positions will be taken via an email process from February 17 – 24, 2022. The electronic elections will then be held on March 10, 2022. All eligible voting members will receive an emailed invitation to vote by Saturday March 5, 2022.

So why are we letting you know this information now? First of all, it will give members a change to contact to Membership Committee to update their email address if they feel they need to. Secondly, members will now have plenty of time to think about who they want to run for these positions or if they would like to be nominated for one of them.

VERY IMPORTANT ANNOUNCEMENT!!!

Our NYS Governor's recent news is that businesses may require patrons to follow the **MASK MANDATE** recently invoked. Our Meeting Host (The PCC) is exercising their right to require that all patrons, regardless of vaccination status, wear a mask while moving about the building.

While sitting down to eat or Drink, the mask may be removed.

This requirement will remain in place until we notify you otherwise.

OC FAMILY CORNER

Happy New Year OC Family. With a SLOW start to Winter we surely hope that January will get us some White Gold. Our annual Smugglers Notch trip on Jan. 14th – 17th was sold out and we are back to record numbers of attendees, but with one sad result of COVID still among us we regrettably will be cancelling our LARGE Group Italian Feast! Jay Peak late season April 1st – 3rd is in place and OPEN for reservations. Limited room types are available so act fast. As for Skiing Specials please check out the OC Ski Club web site for regular updates including that from our Local

Capital District OC Ski club supporter Maple Ski Ridge, who is offering Club Members and their families \$20.00 lift tickets Wednesday, Thursday & Friday Evening through the end of the 2022 season. Must Show Valid Club Membership Cards including Jr. Associate cards per person to get this deal. We will continue to announce any specials we come across via the Jr. Associate Card Family Member email list. Thanks for your support and hope to see you all out on the slopes.

MIKE “BAKES” BAKER - A GOOD FRIEND TO THE SKI CLUB - 1956-2022

Mike Baker or “Bakes” as many knew him by, was a good friend to many of us in the Ski Club. He joined the Club on 11/7/84 and quickly became a “full” member (#115) on 2/14/85 as he joined the gang on the bus each week to pursue his largest passion: skiing. I smiled this

morning as I reviewed his membership record and found his listed occupation as “Ski Bum”; I could picture his half grin and chuckle as he told the membership table to list that. So many of you know Bakes as an avid skier but he also was very passionate about his volleyball, Golf game, bike riding, hiking and paddling (and good beer). You may remember hanging with him at the Volleyball Tournament where he provided his support in the scoring section of the committee (was that because it was the closest place to work near the beer truck?) as the day wore on.

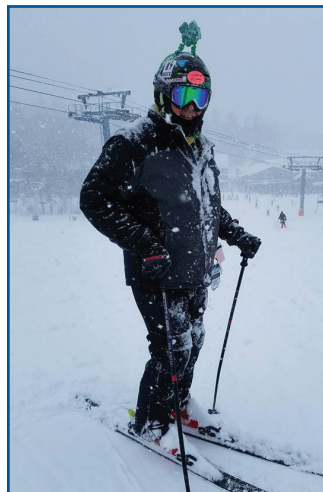

You may not even realize that YOU knew Bakes... he was the guy selling Warren Miller movie tickets at the Club each year, the guy running around the Volleyball courts on a September Saturday @ Maple Ski Ridge (and Altamont Fairgrounds prior to that), one of the “gang” hanging at the side table with his good friend Mash Waugaman at the PCC each Thursday night; Bakes was an avid Stowe Ambassador for many years and

then at Whiteface; he was a ski patroller at both Whiteface & Gore and then relaxed into the role of ambassador at Gore. So you may have seen our friend “Bakes” in any one of these places.

Well, I am sure that we have many guardian angels watching over us but I'd like to leave you with this thought... Michael “Bakes” Baker, Bob “Iron Legs” Paley, John “Bomber” Anderson, and Rob Stacey (just to name a few) are sure to be sitting around with a favorite brew in hand as they watch their OC SKI CLUB friends continue on with the spirit of the Club and reminisce on their trail sweeping adventures.

DAY BUS PAYPAL PURCHASES

In order to continue to bring you a bus schedule, we have been forced to make some changes. These changes are ripple effects from the pandemic and required by the mountains themselves. - All bus transactions must be paid using PayPal. This includes lift tickets and bus rides. No exceptions.
- PayPal signups for Sunday buses close the prior **Tuesday at 6 PM.**
- PayPal signups for Friday buses close the prior **Sunday at 6 PM.**
- PayPal fees are non-refundable.
- Lift ticket purchases are non-refundable. The only exception is if there are not enough lift ticket purchases to qualify for the minimum number required by the mountain for the group price. In that case, the lift ticket price will be refundable via PayPal.
- For the most up to date information on bus cancellations OR group lift ticket purchase cancellations, please check the website (ocskiclub.org) and Facebook.
