## PRESIDENT'S CORNER

Mark Wilder  
President  
[president@ocskiclub.org](mailto:president@ocskiclub.org)

If you have enjoyed the Club's many advantages over the years, consider getting involved with helping to keep these activities and events happening. If you are interested, don't hesitate to ask me or any other officer or Board member how you can get involved. You can help! See you on the slopes.

Well, it's March already and that can mean only one thing -- spring skiing! Well, pretty soon anyway. **Do not be fooled** by the lack of snow in your back yard! There is still plenty of snow in the mountains.

OC buses are still rolling every week, for downhill and cross country. Stop by the Bus Committee table at any meeting, or online, for the latest info on where we are going to ski next. There are still two trips going in March -- to Banff and Italy -- and the Jay Peak trip is going in early April. You may still be able to find a spot on one of these if you hurry.

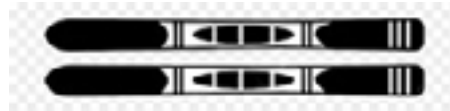

Also in March, our annual election of officers will take place. Nominations are scheduled for the meetings on March 7 and 14 and the election is March 28.

**Think Snow!**

Cheers,  
Mark

Are you ready for an adventure on the slopes, but not quite sure how to get there? Let's break it down for you! Picture this: You're all geared up, excited to hit the snow-covered mountains, but hold up -- we need a bus to make it happen! That's right, we need a whopping 21 people to sign up for the bus trip to make it a reality.

Now, here's the scoop: Sign up early, folks! There's a deadline three days before the big day. If we don't hit that magic number by then, well, the bus party might just get canceled. And nobody wants that, right? So mark your calendars, set those reminders, and make sure you secure your spot on that bus in time.

Who are the masterminds behind all of this bus magic? Look no further than Barb and Sylvia -- your go-to gurus when it comes to all things buses. These

two know how to make sure you get to your snowy destination in style.

But hold on, the fun doesn't stop there! Looking to brush up on your skills before you conquer the slopes? We've got the perfect solution. Lesson time! And trust us, planning ahead is key. Swing by the table on Thursday nights and seek out the one and only Jeff Kenton. He's the man with the plan when it comes to coordinating your lesson.

Why is this so important? Well, it's all about finding the right match with your instructor. After all, you want to have an absolutely phenomenal day out on the hill, right? So, take that extra step, plan ahead, and team up with the perfect instructor to make your snow daydreams a reality.

## *Trips Recap...And Looking Forward*

As the winter winds began to howl and the first snowflakes danced from the sky, the members of the OC Ski Club eagerly gathered in anticipation of another season of thrilling adventures. This year, the Club had an exhilarating lineup of trips, each destination with its own unique charm and excitement.

First was **Whiteface**, where the slopes glistened with freshly fallen snow, beckoning skiers and snowboarders to carve their way down the mountain with gusto. The breathtaking views and challenging terrain made Whiteface a favorite of Club members. **Quebec City** was a wonderland steeped in history and charm. Club members immersed themselves in the French-Canadian culture, indulging in poutine and maple syrup treats before hitting the slopes of **Mont-Sainte-Anne** for some heart-pounding adventures. **Heavenly Valley** beckoned with majestic peaks and world-class amenities, offering a taste of luxury and adventure in equal measure. The sweeping vistas and challenging runs pushed skiers to their limits, while the cozy lodges and vibrant nightlife provided the perfect balance of excitement and relaxation. **Sunday River** and **Winter Park** showcased the diversity of the Club's adventures, from the powdery slopes of Maine to the rugged peaks of Colorado. Lastly, **Smugglers' Notch** was a hidden gem nestled in the heart of Vermont, its pristine slopes and cozy village atmosphere a fitting finale to an extraordinary season.

Looking ahead to the future, the Club eagerly anticipates trips to **Banff**, **Jay Peak** and **Val Di Fassa**, where new adventures and memories await. One thing is certain: The destinations may change, but the spirit of camaraderie and adventure remains the same. With hearts full of anticipation and a shared love for the snow, the OC Ski Club eagerly awaits the promise of new experiences and unforgettable moments in the seasons to come!

# Alpine Bus Committee

## The Buses Continue to Roll!

We had 50 on the Feb. 16 bus to Gore. That's what we like--lots of members taking advantage of a cheap bus ride to a ski resort. As I write this, I am packing for my family trip to Salt Lake City. Barbara will be joined by Eileen Finn-Lematty for the two weeks I am gone. Thanks, Eileen, for helping us. The table does need two people.

The good news is the bus schedule has been updated. A printable PDF is available on the bus page at <https://ocskiclub.org/skiing/downhill-skiing-snowboarding/ski-buses/> Just scroll down the page to find a printable PDF file that summarizes the remaining schedule. It will also have the Nordic schedule. We are now scheduling buses to both an Alpine location and the nearest Nordic location for the same bus.

### Changes and Additions:

**3/6 Sugarbush bus is changed to 4/1** to take advantage of the bonus ticket on the "3rd Best Deal" offer. When we set this up, Sugarbush did not inform us that the bonus ticket is useable only on or after 4/1. In addition, for the Nordic crowd we added a visit to Ole's Nordic just north of Sugarbush.

**3/23 Mt. Snow Reggae Fest** and pond skimming party is back; so we moved the 3/24 Sunday bus to 3/23 Saturday. Nordic will go to Prospect Mountain.

**4/8 Whiteface is the Eclipse bus.** Yes, we were offered a great deal by the Mountain (thanks to Lauren, our rep). For a **\$40 lift ticket** (cash collected on the bus) you get to view the full solar eclipse. I am hoping to take two buses to this super event. Bring the kids (7+ years old) and grandparents (they don't have to ski) to experience this "once in a lifetime" event.

We will schedule buses through April following the snow conditions. Hopefully, we will run a June bus to Killington this season (dreaming big here). Keep checking the website for bus information after 4/8. We should have at least two more. If the Moguls Pig Roast revives at Killington, we will try to run a bus for that event.

Looking ahead to next season -- give us your suggestions. We are looking into running at least one bus to Hickory for old times' sake. Many have said how much they loved that mountain in the past, and now it has reopened.

Keep up the snow dances as we are at last getting the snow. Happy Trails and Trees to all!

## New York Capital District Ski Council (NYCDSC) News

The NYCDSC met on February 7 via Zoom. (All meetings are on Zoom.) The Council has added some more Member Appreciation Days to the calendar which is found on the main web page, <https://nycdsc.org/> Check out the mountains that offer discount prices for lift tickets. As an OC member, you are eligible for all the discounts. If you don't have the Council sticker on the back of your membership card, just come to any OC meeting or ride the OC bus to get one. Since it is one lift ticket per membership card, you will need a special JR ID card for your children (17 & under). These cards are available at the membership table for a nominal fee.

The OCs invited members of the various clubs that belong to the Council to join us at Plattekill Feb. 29. You probably noticed a few strangers in attendance. We hope that, by seeing what our club offers, they will join as members next season. Many people in the Capital Region belong to multiple clubs because each offers unique benefits. Ours are subsidized buses to ski mountains, free professional ski lessons, and lots of overnight trips east, west and overseas. We are a year-round club too. We offer a golf tournament, motorcycle rides, hiking, biking, family activities, summer picnic, monthly happy hours, and social get-togethers like the New Member Party and monthly Club Socials at the PCC. Lots of reasons for people to join the OC Ski Club! Word of mouth is our best advertising.

## Indian Head Resort, New Hampshire (Jan. 9-12)

Twenty-six OC members drove to Lincoln, NH for up to four days of skiing, eating, getting together and lounging in indoor and outdoor pools and hot tubs. The destination was the Indian Head Resort located 10 minutes from two wonderful mountains, Loon and Cannon. Also within driving distance are Bretton Woods, Wildcat, Waterville Valley, Attitash and Sunapee. On the way people stopped at a variety of locations to ski including East Berkshire, Sunapee, Okemo and a few others.

On arrival we were happy to learn that Indian Head was including three complimentary happy hours during our stay. As expected, the OCers would make the most of this offering each night.

The ski conditions were not the best, since Tuesday evening the mountains received about 10 inches of snow followed by rain throughout Wednesday. Although a few of us decided to skip the slopes on Wednesday and investigate the area shops, most attacked the slopes later in the morning and early afternoon. The weather improved Thursday and Friday and people skied at Loon, Cannon, Waterville Valley and Okemo. Another, small group of OCers was staying near Loon and joined us for one of our happy hours. The resort provided great meals (three breakfasts and two dinners) and wonderful happy hours. Many hoped the trip will be offered next year and we hope you will join us if it is!

*Sharon and Mike Gosden*

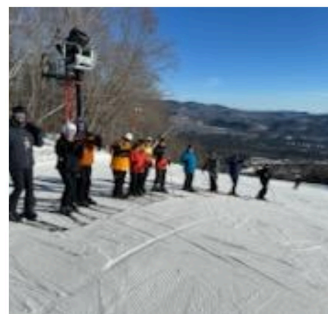

## Sunday River, Maine (Feb. 4-9)

The annual Sunday River trip had 115 Out of Control participants invade the Grand Summit Hotel on Sunday, February 4. Many “regulars” were missed--hope to see them back for 2025! We had many new members on the trip and hope they felt the wonderful camaraderie the Club offers. Sadly, there was no bus this year due to lack of interest, and the high cost for the low number wanting to sit back and relax (ok, and party like the old days!) on the ride north. Fortunately, it was a beautiful day for the long drive up to Maine. Once checked in, many headed out for dinner (Sliders in the White Cap Lodge saw several of our crew stop in for a bite), and then back to rest up for Day 1 of our five-day ski week. The mountain was groomed well every morning. The slopes were “fast” but fun, pretty much all week. Thursday was a warmer day, so the trails softened somewhat. There were a few who had some injuries, unfortunately. We hope they heal quickly with no lasting issues.

Monday evening, Tom and Eileen hosted a social gathering at the South Wing Fireplace (where regular Mike K. hosts nightly “nightcaps and fireside chats”). We supplied wine and trays of cookies, and then pulled names for some giveaways. We want to thank Gail M-H and Peggy M. for donating to the “Prizes.” Gail donated a \$100 gift certificate to High Adventure and Peggy donated a one-day pass to Gore Mountain. Other prizes included: four Sunday River coffee mugs, a Sunday River tumbler, two bottle openers, two \$50 and four \$25 Visa gift cards, a couple of hoodies, and a canvas tote bag with the Sunday River trail map design.

On Tuesday evening we enjoyed a group buffet dinner in the Grand Ballroom, with a “cash bar” (well, “credit bar” as Sunday River is a cashless resort!). About 100 were in attendance. During the week it was hard not to find many OCers at the ever-popular Foggy Goggle in the South Ridge area or in the hotel pool and hot tub. Though there are always some glitches, we believe a good time was had by all. We hope everyone will return next year, and maybe some more new faces will join the fun too!

Vice President for  
Administration

## Greetings OCers!

How is it possible that winter will be ending this month? It has been a mild one in the valleys, but there has been plenty of snow in the higher elevations. I am sure that we will get a decent storm before winter officially ends. I need to get a few more days in on the slopes!

The Happy Hour this month will be held at O'Toole's in Colonie on Wednesday, March 20 from 4:00-7:00 pm. Let's see if we can top the attendance of last month's Happy Hour at Smokey Bones. It was epic! A big Thank You to all who attended.

This month also brings us nominations and elections for the Club's board and officer positions. If you have the time and would like to help out your favorite club, please consider running for one of the positions. It is a rewarding experience to help run the Club. Nominations will be on March 7 and 14, and the elections on March 28. We will be having another mixer for new and existing members on the 7th to get people ready for them! Please come out for a drink and a chat with your ski buddies.

See you out and about!

*Erin*

## The OC Ski Club \$5 referral program still exists.

We bet you forgot. The referral program is still in effect. You will save \$5 per referral on your membership renewal, the following year, with up to 7 referrals per year allowed (7 x \$5 = \$35, our annual dues).

Does that mean I can get a free membership just for getting my friends to join this awesome Club? You BET! Who better to recruit new people but our current members!!!

Questions, email [membership@ocskiclub.org](mailto:membership@ocskiclub.org)

## Election Day Is Not Far Away . . . The OC Ski Club election, that is!

**Nominations: March 7 & 14**

**Election Night: March 28**

Our Club is led by a group of volunteers who work very hard for you. Some of the leaders are voted in by the membership while others (Committee Chairs) are appointed by those elected officials (Officers and Board Members). Our process is quite simple but it all begins with YOU! Nominations are open at two consecutive business meetings (Thursday nights) on March 7 and 14 from 7pm-8pm. The nominations are made by the members in an open meeting forum. This is your opportunity to promote a person you think would be an excellent leader for the Club. Once nominated, that person has the option to accept the nomination or decline it.

Election night is another Thursday night meeting—March 28—after the second night of nominations, using paper ballots. All members in good standing are given instructions on how to vote. Each year the Club offices open up for election: President, VP Administration, VP Organized Skiing, Treasurer, Secretary and the Board of Directors (9 or 10 seats will be elected).

Why would you want to be an Officer or Board Member of the Club? First, be assured that most of our roles in the Club are not difficult work. Of course, there are days when any one of our current officers and committee chairs could tell you a different story but thankfully those times are not frequent. SO ....

- ❖ Have you enjoyed the activities that the Club provides? Would you like to see them continue? Would you like to see some new ones or the return of some old favorites?
- ❖ Are you good with people?
- ❖ Do you possess common sense?
- ❖ Do you have a few hours a month that you can give to the Club (Board members)?
- ❖ Do you have a few hours a week that you can give to the Club (officers)?
- ❖ Do you have some ideas for keeping the Club strong, yet fresh?

**This is your opportunity to jump on board and get involved.** The Club has survived, and thrived, these many years by combining the skills and knowledge of people who have been dedicated for years and also “new” people with the energy, enthusiasm and ideas to keep the Club moving forward in the pursuit of skiing and fun. The Club thrives on the energy and skills that our diverse membership provides. Whatever your reasons for considering a run for a position as an Officer and/or Board Member—don’t just think about it but explore it by coming forward and finding out more about each position.

Is your interest at least a little piqued? I am including the “official” descriptions of the positions below but feel free to contact me if you would like more information!

\*\*\*\*\*

The President shall call all meetings of the CLUB and of the Board of Directors as provided in this Constitution and By-Laws. The President shall be a member ex officio of all committees. The President shall represent the CLUB to all other ski organizations. The President shall have the authority to sign legal documents and make disbursements on behalf of the CLUB as provided in this Constitution and By-Laws. The **Vice President for Administration** shall assume all duties of the President of the CLUB in the event of the President's absence. The Vice President for Administration shall be a member of the Board of Directors and shall act as an ex officio member of all committees in administration's functional area.

The **Vice President for Organized Skiing** shall assume all duties of the President and the Vice President for Administration in the event of their absence. The Treasurer shall make an accounting of the receipts, expenditures, and financial condition of the CLUB at each regular meeting, and also at other times as may be required by the President or Board of Directors. The Treasurer shall keep and maintain, as a permanent record, all tax records of the CLUB. The Secretary shall maintain a permanent file of all correspondence with ski areas and other clubs within the New York Capital District Ski Council. The Secretary shall keep all corporate records, except those pertaining to the office of the Treasurer, which shall be open to the inspection of members at all reasonable times. Copies of the Constitution and By-Laws shall be kept by the Secretary to be distributed to any member upon request.

NOTES FROM OC BOARD MEETING  
FEBRUARY 2024

## VP for Administration

- Please see report in attachments for HH details at Smokey Bones on February 21.
- Plans for the Installation Party for the last Friday or Saturday in April are underway. The Hilton in Troy and the SUNY Culinary Arts School are possibilities.
- Membership: See Membership Statistics attachment. Memberships are increasing slightly.
- A suggestion for fundraising is to bring back popular T-shirts from the past.

## VP for Organized Skiing

- Please see report in attachments for committee updates.
- Bus numbers are increasing. XC participation is slow, but weather and snow conditions have not encouraged XC skiing.
- Jay Peak is open, Burke will accommodate participants for the next couple of days, and there is room for one male on Sunday River.
- Winter Carnival will have prizes, a Heaney Wienie Roast, and some bar games as well as a fire hose race and tug of war on the snow. The cafeteria and bar will be open for purchase of food and drinks. The bus signup list is open.
- Sylvia explained that junior ID cards were issued to meet the mountain's requirements to have an ID for each NYCDSC discount ticket purchased. They were never required on the ski bus. Guest cards are given to each guest riding the bus and are collected on the way home from the mountain.

## Old Business

- The member mixer on January 25 had lower attendance than expected, possibly due to a lack of sufficient advertising. New member attendance was particularly low. Nevertheless, in order to generate more interest in attending meetings and encourage member retention, the motion to hold another on March 7 was passed. The Board approved an appropriation of \$500 for beverages for the March 7 member mixer.
- Matt will coordinate the arrangements for the mixer with the help of Judy and Kelly.
- Member retention was also discussed. Renewed interest in riding buses, successful trips, and combining XC and downhill buses are helping in the recovery of our activities after the dark years of Covid.

## New Business

- Discussion on the proposal by Rex Lyons to sell 50/50 tickets on buses and other OC events was lively. It was decided to continue to sell tickets at meetings and certain events, but not on buses.

*Respectfully submitted,  
Cynthia, aka Princess Snowflake*

# Family Corner

## Hello Families!

The Jay Peak trip is only four weeks away. Jamie Britt-Fabrizio is working hard on organizing a great time. What a daughter! She treated Fred and me to the trip as our Christmas present. I am so excited to see my grands enjoy the mountain and the waterpark. I know many of the usual characters are going again. This mountain never gets old. The trees are never-ending. If we are lucky, the top will be fully open as well as all the glades.

I have scheduled our annual Smuggler's Notch trip for next season on MLK weekend. I expect even more to attend this lovely ski trip. We lucked out with powder and the whole mountain open on our last day. It was definitely the highlight of my season.

As the season approaches its end, my focus is turning to summer events. I love to bicycle and am thinking of setting up a bike ride along the Mohawk with a picnic at midday and return to the starting point. The Erie Canal is so interesting. We would pass Mabee Farm and even go as far as Amsterdam. I need some help setting up this adventure. Is anyone interested in a kayak/hiking adventure? Need input on these ideas. What about a Pig Roast somewhere in the Adirondacks? Or Zoom Flume Waterpark Day? Help in planning and organizing is needed. So, reach out to me.

See you at Jay!
