

Join Us as a Trip Leader!

I'm excited to share that we have some fantastic trips lined up to Copper Mountain, Switzerland, Tremblant, and Smuggler's Notch, and we're on the lookout for some enthusiastic volunteers to help lead the way!

If you're someone who loves organizing and planning adventures, we would be thrilled to chat with you about what being a trip leader entails. You'll play a vital role in helping with sign-ups (both in person and via email), conducting pre-trip meetings, and even organizing a group dinner to bring everyone together. There are a few other responsibilities too, but it's all about creating memorable experiences for everyone involved.

Let's get together at our next gathering or for a casual happy hour to discuss how you can jump in. Your passion for skiing and adventure can truly make these trips unforgettable, and we'd love to have you on board!

Looking forward to talking to you soon!

Lynda Heaney - Alpine Trips Chairperson
