Important Reminders

- Incomplete documents, unpaid membership, or late payments may result in the loss of your spot.
- Trip Insurance is strongly recommended.

Additional Information

- Once a trip fills to contracted capacity, the trip leader will begin a wait list. Names will be added to the wait list on a first-come first-served basis. No deposit is necessary to hold your position on the wait list, but if a spot opens up and you are called from the wait list, then you must submit a completed sign-up and make any payments that are due within three days.
- **Guests**
- Ski trips are a valuable member benefit, and therefore only OC Club members may take part in the Club's ski trips. If a non-member wants to join a ski trip, they may sign up to become a member and then register for the trip once they receive their card. Or another option is to pay the \$5 per day guest membership fee, for each day of the trip.

By following these simple steps, your spot on one of our amazing trips is secure.
We can't wait to ski with you! **Let's Hit the Slopes!**
