

Ski specials that our members have forwarded to us

### **Northeast Ski Deal website**

Members of No Boundaries have access to amazing ski & stay deals, ticket deals, and all our other programs.

An OC member told us about this website and we thought we would pass it along.

### **For shipping your ski gear or golf clubs**

I'm sharing another discount being offered to the club. ShipSkis is offering members 25% off all shipments for the remainder of the season.

Members can use the code OOCSC25 at checkout on ShipSkis.com. This discount also applies to golf club shipments at ShipSticks.com once the ski season ends.

You will see the different web tabs up on the top of the webpage for skiskis and skisticks
